"zzz..."  
a dr. baldhead fanzine  
about dreams

oh, dear!  
what is that smell?

oh, that's it!! no more  
sweets before bed!!

breakfast should  
be soon, anyways...

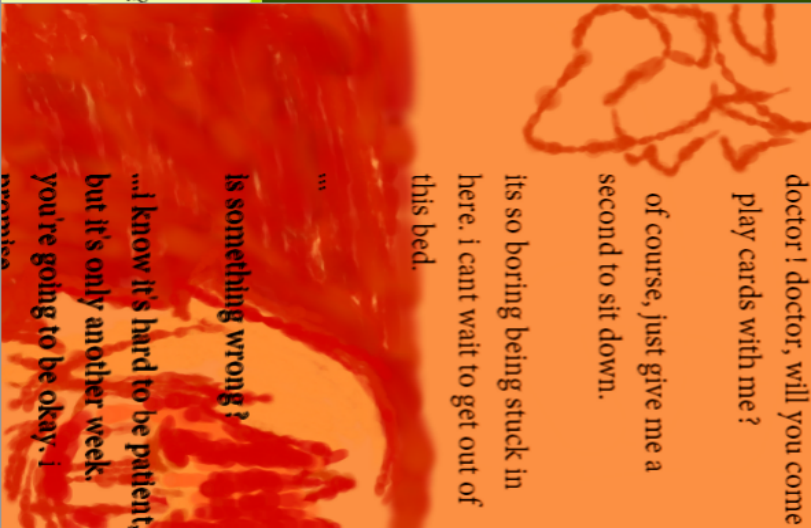

just hungry, after a  
long day of work!

im so hungry  
hungry

when is breakfast?  
please tell me

doctor! doctor, will you come  
play cards with me?  
of course, just give me a  
second to sit down.  
it's so boring being stuck in  
here. i cant wait to get out of  
this bed.  
...  
is something wrong?  
...i know it's hard to be patient,  
but it's only another week,  
you're going to be okay. i

not all dreams  
mean something!  
...i think?
